Future Tax Advisor:

I would like to first thank you for your interest in wanting to attend my 2021 Income Tax Course, **“The Fundamentals of the Income Tax.”**

The classes will be held at the company’s headquarters at 4317 Robinson Road in Jackson, Mississippi (located between Piccadilly and Popeyes on Highway 18). Classes are every Tuesday and Thursday (some Wednesdays) evening from 6:00 p.m. to 9:00 p.m. beginning Tuesday, October 19, 2021 and will end on Thursday, December 16, 2021. See attachment for the detailed Income Tax Course Schedule.

Due to limited seating of approximately 10 students, registration is required to guarantee and reserve your seat in the class. Registration includes making a full or partial payment of the course fee. The total cost of the 2021 Income Tax Course ranges from \$149.99 to \$224.99 depending on the pricing option you select. See attachment for the detailed Pricing Options. **You can complete the payment process on our website or you can call or come by our main office.**

I am currently seeking individuals to employ on my Team at all four of our locations in the Byram, Canton and Jackson, Mississippi area. Whether it is part-time or full-time, I am always seeking to hire ambitious and self-motivated individuals to join my Team. We also have management positions available and a Business Partnership Opportunity if you are interested in becoming a business owner of your own financial and tax preparation services company.

Trust me, no prior experience is required. I will begin the first day of class teaching the basics. The classes are challenging, but not hard. In addition to learning “The Fundamentals of the Income Tax,” I also teach classes on itemized deductions, unreimbursed employee business expenses, business income and expenses, farming income and expenses, rental property income and expenses, and home office deductions. See attachment for the detailed Course Curriculum.

For the classes, you will only need to bring a basic calculator and some pencils. No pens please...I promise you will need to erase!

While attending the class, you will totally understand why our tax preparation services slogan is:

“We Don’t Just Do Taxes...WE KNOW TAXES”

Upon completion of the course, I will also assist you in obtaining your very own Preparer Tax Identification Number (PTIN) with the Internal Revenue Service (IRS). This number is required for every Tax Preparer that prepares tax returns.

Again, I thank you for your interest in wanting to attend my 2021 Income Tax Course, and I look forward to meeting you on Tuesday, October 19, 2021 at 6:00 p.m.

If you have any questions between now and the first day of class, please feel free to contact me using either one of the methods below.

Sincerely,

Tim C. Lee
